

# HERE'S the POINT!

By SPENCE HELD

A fella went into the Pacific Shores Saturday afternoon with a cooked chicken in a paper bag—ordered by his wife for dinner that night.

He left it lying around for a few minutes while he was in the phone booth making a call. Bill Antone, of the Shores, got a whiff of the chicken. Deciding he was hungry, and figuring to have some fun with his friend, he tore the fowl limb from limb like Henry the Eighth.

Chewing a drumstick, he passed out chunks of chicken to the other laughing hyenas with a lavish hand. One got a wing another a drumstick, and so on.

When the guy came back from the phone booth, he was inveigled into opening the bag.

He started thunderstruck at its contents. Then he screamed like a wounded owl and took off for the place where he had bought the chicken.

"I'll sue you for \$10,000!" he shouted, pounding the counter. "I paid \$1.39 for a chicken with out legs or wings!"

Seven out of 10 injuries suffered in traffic accidents occur to the head and face, according to a study made by the Cornell Crash Injury Research Project.

The S. D. County Traffic Safety Council points out the value of the project in substantiating the worth of auto seat belts.

David Thompson, Council director, said: "Cornell's study showed that users of seat belts experienced less risk of injury to any degree, including minor; that they had 85 per cent less risk of dangerous or fatal injury than non-users thrown from the car."

We've all heard of keys to the city, but here's something even better—a key to a bank.

A gold key to the front door of Bank of America's new Point Loma branch building will be presented to Manager Jay H. Thomson when public open house is held there tonight.

Two of the first three marlin of the season were landed by Peninsula anglers. Mrs. Rosemary Newton, of 3925 McCall St., brought in No. 1, a 77-pounder. Al Ogle, 761 Golden Park Ave., hooked one weighing 146½ pounds.

A thought for today: "There are as good fish in the sea as ever came out of it." Yeah, but a fish in the hand is worth two in the kelp. (Fried sea bass for a country lass?)

## Open House Tonight At Point Loma Bank

The new modern-design building for Bank of America's Point Loma branch gets its first public showing tonight (Thursday) when open house is held from 7 to 9 p.m. Address of the banking office is 1275 Rosecrans St.

Manager Jay H. Thomson early this week renewed his invitation to the public to attend the open house which, he said, had been planned as a kind of informal community party. All facilities of the new building will be open for inspection, including the mezzanine employees' staff room with a view over the bay.

Among attractions of the evening are a display of historical American money and a penny-guessing "Treasure Chest" contest. The historical money includes examples of the first coins of Massachusetts Bay Colony, some of the first pieces struck under authority of the

Federal Constitution and commemorative coins from the Columbian Exposition at the 1893 Chicago World's Fair.

The "Treasure Chest" contest will continue through Friday, Aug. 9.

A group of Bank of America's top officers in Southern California, headed by Board Chairman Jesse W. Tapp, will be in attendance. Light refreshments will be served to all visitors.

The new branch building has more than 7,000 square feet of floor space and is equipped with the latest banking equipment, including a streamlined, glass-topped teller counter. Facilities for safe-deposit and a night depository have been added to the branch's list of services. Customer free parking is available in an adjoining bank-owned lot.

Cost for land and improvements exceeded \$265,000, Thomson said.

### 7Up Wins Another

Wednesday, 7Up defeated Moose by playing errorless ball in an 11 to 2 game behind the 3-hit pitching of Mike Dolphin.

Service Clubs took Thursday's game from Lions 11 to 5. The winning pitcher was Rod Jones. The first game of Saturday's triple-header saw 7Up beat Service Clubs 4 to 3. The winning pitcher, Richard Vance, broke up a tie ball game with a well-tagged homer. Richard Conklin hit a homer for Service Clubs.

Lions won over Optimists by a score of 10 to 9. Nickie Sebastiani was the winning pitcher.

Merchants edged out Moose 7 to 6 with Bob McGee on the mound for the winners.

Sunday morning, Pony coaches and fathers defeated the

## LOMA PORTAL LITTLE LEAGUE

Oscar's Midway reigned as undisputed champion of the Loma Portal Little League today after clinching the second half championship Saturday with a nerve-tangling 1-0 triumph over Whitney's.

The Midways, who racked up nine straight victories to take the first half title, made it 17 in a row Saturday when they nudged Whitney's on Larry Bardy's home run in the second inning. Bardy also pitched the entire game for the victors, allowing only two hits and registering eight strikeouts. Bobby Falar hung up a solid mound performance for the losers, yielding only six hits and fanning seven batters.

With Garry Lutes, Mike Gay and Billy Krause sparking the attack, the Oscars launched the week with a 16-1 conquest of Cubic Corp. Six runs in the fourth inning, followed by a seven-run blast in the fifth, sank the Cubics.

The Whitneys chalked up their fifth triumph, against three setbacks, Wednesday when they outlasted North Lumber, 19 to 10. Jerry Whyte and Dennis Gonzales held the Lumbermen to four hits, while Billy Dettweiler starred at bat with 4-for-6.

North Lumber came back Saturday to halt Cubic, 8-4. Doug Blanchard smashed a three-run homer for the Lumbermen in the first inning, and Joe King and Arthur Dean clouted homers for Cubic in the fifth chapter.

### TOUGH COOKIE

"You won't believe this," said Bill Wilson, "but, speaking of synthetics, I know a young bride who came within an inch of making the discovery of the century."

"It was her first attempt at cooking. She made a batch of oatmeal cookies. Her husband cautiously accepted one, made a trial pass with his molars. No luck. He finally nailed it to the wall to use for striking matches."

"Next morning he took a cookie down to his shop and ran a regular machine tool bit on it. Didn't make a dent."

### IN THE ACT

Albert Tramonti, husband of the president of the Pan American League of San Diego, is another Peninsula area man who takes an interest in his wife's activities.

Recently he designed an emblem and pin for the League. It was accepted by the organization and is now being used officially. A cluster of 21 flags of the Pan American nations forms the center of the insignia. At their base is an unsheathed sword, pointing upward as a symbol of strength through unity.

The flag cluster is encircled by a ribbon with the organization's name. Enclosing this are two branches of laurel indicating meritorious achievement.

Mr. Tramonti formerly was an illustrator and commercial artist in San Francisco. He and Mrs. Tramonti live with their son at 956 Cordova St.

## Sensational Male Quartet Joins S. D. Symphony Orchestra July 30

Balboa Park Bowl will be filled with the music of Broadway and the nation Tuesday night, July 30, at 8:30 when the San Diego Symphony Orchestra, Robert Shaw conducting, is joined by the sensational Hi-Lo's, male vocal quartet, for the fourth summer series concert.

The popular program planned includes selections from the New York hit show, "My Fair Lady," the best of George Gershwin's great shows, and hit tunes of the day.

The Hi-Lo's in four years have skyrocketed to the top spot among male vocal groups in the country. They have recorded some of the best-selling songs on current hit parades, appeared with Ray Bolger, Dolores Grey

and Dennis Day shows in Las Vegas, with the Judy Garland concert tour, the Red Skelton television revue, with David Rose's Pops Concert in Hollywood, Bowl.

The appearance of the Hi-Lo's with the San Diego Symphony continues Conductor Robert Shaw's practice of bringing the sounds and music of the current scene into the summer symphony concert seasons that have highlighted in the past by Benny Goodman and Dave Brubeck. Tickets for the Hi-Lo's concert, as well as all remaining symphony concerts, are available at the Palmer Box Office, 640 Broadway. Reservations may be made by calling BE-9-4700.

## Derby Standings Are Reshuffled By Heavy Fish

A rash of heavy fish registrations at the last minute almost completely reshuffled the second period standings in the \$25,000 San Diego Yellowtail Derby and it will take an even 26 pound yellowtail, bluefin tuna, or albacore for an angler to get into the one-day fishoff for the station wagon and other major prizes this Friday.

No less than 40 fish were checked in at the last moment to boost minimum weight a full half pound. By the same token, the third and final eight-week period got off to a flying start, and veteran anglers believe that an equally heavy fish will be needed to gain a spot in the last fishoff in September.

Top fish of the period was a 47 pound yellowtail bagged by Joseph Maxwell, Ramona, and heaviest albacore was a 36-14 caught by Riki Matsufuji, Los Angeles.

## CUB PACK 228

Members of Cub Pack 228 will meet for a picnic on Sunday, July 28, at 2 p.m. on the beach at the foot of Long Branch Ave. Awards for achievement and prizes for the sale of circus tickets will be given.

## CHRISTIAN SCIENCE

Today's need of the spiritual sense of truth will be emphasized in the Lesson-Sermon on "Truth" in all Christian Science services Sunday.

Bible citations in the sermon will include, "The Lord is nigh unto all them that call upon him, to all that call upon him in truth." "Lead me in thy truth, and teach me: for thou art the God of my salvation; on thee do I wait all the day." (Psalms 145:18, 25:5)

In correlative passages from "Science and Health with Key to the Scriptures" Mary Baker Eddy declares, "The spiritual sense of truth must be gained before Truth can be understood. This sense is assimilated only as we are honest, unselfish, loving, and meek" (p. 272).

The Golden Text is from Psalms (98:1,3), "O sing unto the Lord a new song; for he hath done marvelous things: ... He hath remembered his mercy and his truth toward the house of Israel: all the ends of the earth have seen the salvation of our God."
